

Part 2.....Calling all Banner tow pilots and KMJX pilots- do we have a seminar for you!

This seminar is part 2 of a specially designed seminar series for local banner tow and local area pilots. Tonight we will delve into the many aspects that affect pilot decision making. The second topic will feature Weather, how to trend weather, and which web pages provide the most timely updates and information. This seminar will be geared towards those pilots who fly on the east coast. Don't miss this excellent program. Preregistration is required. Click on the link below and Register TODAY. Our thanks to Ocean Air for sponsoring this seminar and the use of their Facility.

Directions: Please preregister. If weather is inclement call 610 595-1500 ext 240 for additional information. *** please note change of date to JUNE 19th and location to Ocean Aire Hanger at the Airport.***

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
